FYI we're finalizing the promotion materials for the CD14 Forum (next Wednesday!) today - I'd like to include all of our logos on the flyer. Could you please send your logo to Wallis ASAP at wallis@southpark.la

FYI location is South Park Center (aka USC Tower) entrance at 1149 S Hill St. Moderator is Jon Regardie. 3 candidates have confirmed - Kevin de Leon, Monica Garcia, John Jimenez.

We need to push this pretty hard this week and next. I'll send the flyer and eventbrite link for registration ASAP.

Thank you!

Ellen Riotto

I'm scheduling a call with Jon to discuss format and approach. You are all welcome to join us if you're interested. I'll share details once they're set.

FYI Raquel Zamora and John Jimenez will also be attending. Still haven't heard from Cyndi Otteson

Rena Leddy

Ellen - thank you for all your work organizing this event. Please tell us what you need.

Ellen Riotto

It's my pleasure. This is really important!

Now we just need outreach! The theater has 500 seats and I want them all filled.

FYI yesterday's eblast got us another 100 RSVPs. I believe Wallis received all your logos, so she'll send over this AM so you can start outreach

Rena Leddy

Great!!

Rena Leddy

Does anyone have a DWP contact?

1/14/20, 11:36 AM

Suzanne Holley

What do you need? I had a lighting contact who was good but not sure if she's still around.

Rena Leddy

A property owner needs to reroute some power lines in order to change some windows and they are t getting any response.

Suzanne Holley

At a reception right now and ran into David Rahimian from DWP. He send to email him name address and contact info for property owner and he would connect to right person.

Suzanne Holley

Do you know him? I'd not send to me offline and I will forward

Rena Leddy

I don't. We I forward you the email.

Hi all - quick questions re tomorrow (will send longer memo this afternoon):

1. We need two more volunteers to help with registration.
2. We need 6 black linens; 4 for 6ft tables, 2 for 8ft tables.

Thanks

Rena Leddy

We don't have linens. We usually rent.

Suzanne Holley

Suzanne Holley

We have five of the blue and two of the black in the picture about 60" x 90". They won't go to the ground on any of those tables but they're yours if you want to use them. Checking to see if our ambassadors can stay over to work registration.

Ellen sorry I am just seeing this now. We have 5 black linens for 6-ft tables. They go to the ground. Please let me know if you still need them.

Do you still need volunteers?

Ellen Riotto

Thanks Estela and Suzanne! Yes, we'll take the 2 black linens from DCBID and the 5 from CCE.

We still need 2 volunteers for registration table. Blair, do you have anyone?

I have 1 person

Ellen Riotto

Estela and Suzanne, would your teams be able to drop off the linens at our office tomorrow? Or arrive at the event early with them tomorrow?

Estela Lopez

I can drop them off to you before 5 today. Is that ok?

Ellen Riotto

Perfect! Thank you!

Estela Lopez

Ok. I'll call you when I'm in front. They're heavy so please have someone get them from me.

Ellen,
Are you interested in the 2 black tablecloths we offered earlier?

I went to the candidate's forum last Friday that the HCNC was involved in. We need to ask deeper questions. Most of the candidates said building more housing was the answer to the homeless situation. No one offered a plan for more housing or more beds.
Joanne

Ellen Riotto

Thanks for the note, Joanne. I'll pass along to Jon.

No, we don't need to linens. Thanks for offering!

Yes! Deeper questions and ask for real answers. Same thing happened at the CCA event. We expressed this to Jon when we spoke to him.

Ellen Riotto

Jon is sending over his list by the end of the day today. If he does not send it to the full group I will make sure I forward on.

Would we open to working in the budget a stipend for Jon's babysitter? A budget of around \$60? I think just to keep the night cost neutral for him if anything else (all things considered)

Suzanne Holley

We will have our two black table cloths delivered by noon tomorrow. I have two ambassadors that can assist as needed tomorrow. What time do you need them? For how long? Where should they go. I know you only needed one volunteer but they work well in pairs ;) so use them as you see fit. Thx!

We were going to send some too

We should have enough hands;)

Ellen Riotto

Thanks Suzanne!

Please let me know how many ambassadors you are planning to send. My team will put together a plan.
